The matter is presently on this Court's calendar for a status conference on December 12, 2007. Information has just surfaced this morning that has changed the position of the parties. Accordingly, more time is necessary for both parties to complete their investigation.

Given the need to complete the necessary investigation, the parties stipulate that the time from December 12, 2007 to January 16, 2008, is properly excludable for effective preparation and continuity of counsel.
